

*find your strength in numbers*

- free online support community
- available 24x7
- [www.ocdtribe.com](http://www.ocdtribe.com)

OCDTribe is a free online support community designed to bring people together from around the world affected by OCD.

We believe that communicating, sharing, and connecting with others in a common community will have a positive effect on your healing and your life.

OCDTribe represents a place where people suffering with similar challenges can connect in a non-threatening way. Members receive access to an online community of people who understand.

- Social Networking
- Design Your Own Page
- Create an Online Journal
- Read and Post Forum Topics
- Join and Create Groups
- Messaging and Chat Features
- Music, Video, Games and More!
